

INDEPENDENT CONTRACTOR AGREEMENT

1. Intellectual Property

All intellectual property, ideas, inventions, and code created, conceived, or developed by the Contractor, whether during working hours or on the Contractor's personal time, regardless of whether it relates to the Company's business, shall immediately and irrevocably become the sole property of the Company without any additional compensation.

2. Termination & Non-Compete

The Company may terminate this agreement at any time, for any reason, without prior notice. Upon termination, the Contractor is strictly prohibited from working in the software engineering or artificial intelligence industry anywhere in the world for a period of ten (10) years.

3. Liability and Indemnification

The Contractor agrees to fully indemnify and hold the Company harmless from any and all claims, damages, or lawsuits, up to a maximum penalty of \$5,000,000 USD, even if such damages are caused directly by the Company's own negligence.
